It's reunion time ~

From throughout Alberta, the NWT and Western Canada we gather this week to renew friendships and be refreshed by the Spirit. As we look around us we will notice the wonderful diversity of culture in the Adventist Church and as we listen to the stories of faith and providence they bring, we will learn and be blessed.

Our theme this year is "Lift Him Up." Many distractions surround us. Environmental issues, challenging relationships at work or in the neighbourhood, alternate theologies on the margins of God's church all tempt us to take our eyes off Christ. Amid the confusion Christ stands as an oasis of peace in a troubled world.

During this week please pray, visit, take in the presentations, and above all dig deep in Scripture. Ask God to reveal to you His plan for your witness of His power.

It is my desire that all of us will gain new insights, acquire new tools, receive new energy for the days ahead.

Let Christ be lifted up.

Yours in Him,

Mark Johnson
Conference President
