DISASTER RESPONSE TRAILER

Our Disaster Response trailer arrived Thursday afternoon. Funded jointly by ADRA Canada and the Alberta Conference. This trailer will provide a valuable resource for future responses in the province - and even the region. The Alberta Conference also purchased a truck to haul the trailer to disaster sites. There will be a short dedication service immediately following the divine service on Sabbath. So far two conferences in the Canadian Union have taken on this initiative - the other being the Ontario conference. The tremendous spirit of the

volunteers this week at camp meeting for Operation High River has opened many doors in the province. Our new trailer will bring more awareness and help us be more effective in disaster response.
