REACH

**Alberta Camp Meeting
July 31 - August 8, 2015**

Ken Wiebe
President
Alberta Conference

Welcome to Camp Meeting 2015.

Our theme this year reflects upon the "C" in the REACH core values, "Community outreach and Evangelism." In keeping with this value, the topic is "GO."

"Go" is a verb - an action word. It is an imperative or command and leaves little doubt as to the requirement. The basic definition is "to move from one place to another." It is the shortest complete sentence, since an imperative can stand alone in the English language without a pronoun like "you," even when not written.

"Go" is a sending command. To Moses God said, "Now therefore GO, and I will be with thy mouth, and teach thee what thou shalt say (Exodus 4:12). Later, He said, "GO, and gather the elders of Israel together" (Exodus 6:13). The Lord sent Jeremiah with this message, "GO and proclaim these words ..., and say, 'Return, thou backsliding Israel... for I am merciful...'" (Jeremiah 3:12). Jesus instructed Peter and John to "GO and prepare us the Passover" (Luke 22:8), and to Mary, "...GO quickly, and tell his disciples that he is risen from the dead" (Matthew 28:7).

Perhaps Jesus' relevant instruction to us today is "GO into all the world, and preach the gospel to every creature" (Mark 16:15) and "GO therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost..." (Matthew 28:19-20).

As we meet in convocation this week, listen for the theme "GO." Reflect on its relevance and then determine where God is sending you.

May God be with you and bless you during this special week!

Sincerely,

Ken Wiebe, President, Alberta Conference

Kayleigh Lang

Mini Concert - Friday, July 31

Kayleigh Lang started piano lessons when she was five years old and started voice with Dr. Wendolin Munroe when she was twelve. She completed her Grade 9 Royal Conservatory piano exam and her Grade 8 in Voice. She was in the Canadian University College Choral Union for 9 years and traveled with them to numerous places including a Europe trip to France, England, and Italy, as well as Bermuda, Greece, and singing at Carnegie Hall in New York. Mallets for Christ

Mini Concert - Monday, August 3

"Mallets for Christ" is a marimba ensemble consisting of three marimbas and two vibraharps. The participants are a small group of family and friends who enjoy making music together, for the glory of God. The mellow tones of these instruments are quite unique, and the group has existed in several different forms and locations for about 50 years.

Jaime Jorge

Mini Concert - Thursday, August 6

Jaime Jorge began playing the violin at the age of five. Born and raised in communist Cuba, he was given many opportunities-including offers to study in Moscow with some of the greatest musicians of our time-if only he and his family would renounce their belief in God. They refused. When Jaime was ten, miraculously, his family was given the opportunity to leave the country. They came to the United States, where Jaime received a Christian education and violin lessons with eminent violinist Cyrus Forough. But Jaime dreamed of being a missionary doctor, and in 1994, was accepted by University of Illinois School of Medicine. In 1996, he left medical school and a promising medical career to devote himself to full-time music ministry. Since 1988 he has traveled over 6 million air miles and has played in North, Central and South America, Europe, Australia, Asia and Africa (6 Continents in all and over 40 countries). He has recorded and released 17 albums.

GO

The love of our Saviour
has beckoned on us all.
We now stand united
to answer His call.
With faith growing large
we will fulfil the charge.

CHORUS

Go forth to all nations
and fill them with light.
His presence is with us,
we can't lose the fight.
Hearts will glow as we go.
Love will show as we go.

On December 15, 2014 the CUC Board of Trustees approved changing its name from Canadian University College to Burman University.

The university is named after Charles A. and Leona Burman the husband and wife team who founded the institution in 1907. Charles A. Burman served as the first and third President (Principal) of the school that would be known as CUC. Leona Burman taught English, science, language, geography, physiology, and acted as school nurse. Both Charles and Leona devoted their entire lives to the work of the Seventh-day Adventist Church.

On July 2, 2014 the Alberta government granted CUC permission to change the institutions status and name from "university college" to "university."

Foothills Camp Nature Trail Project and SAGE Education Centre

Over the last several years, the Foothills Camp Director, with the support of the Alberta Conference administration, completed a number of camp projects to improve your camp experience. These projects include: a playground, petting zoo and basketball court. This year's project is a larger endeavour that will take approximately two years for completion. It includes a developed nature trail system with a building that will be used for teaching about God's Creation. The trail and new SAGE Education Centre will

be constructed on the lower level of the camp between the current zip-line and log cabin. This year, camp meeting attendees will be given the opportunity to volunteer to help lay the gravel for the trail. Later, benches and interpretive signs will be added. In the spring of 2016, the walls of the Education Centre will be raised. This project is exciting but costly. We are asking for your financial support to complete it. If you would like to contribute, please mark your offering envelope – "Foothills Camp Natural Area."

MY CHURCH

Initiative Starting this Camp Meeting

The Alberta Conference Youth Department, along with the Conference Executive Committee, is beginning a new initiative starting this Camp Meeting. MY CHURCH is a program that will engage church leadership with the intent of dealing with the age-old dilemma of church retention. Many church members are asking questions like: "How do we retain our members in today's changing society?" "Is there something I can do to help others with their walk with Jesus?"

"Can we improve our church in any way?" The MY CHURCH initiative opens up the topic and gets church members talking about these and other questions. Along with this, decisions can be made to implement new methods for ministry. This year at Camp Meeting, look for more on the MY CHURCH initiative.

Moises Ruiz

Serving the Alberta Conference as a pastor since 2007, Moises Ruiz has a consuming passion for communicating Bible truths in creative ways. The burden on Moises' heart, and the motivation of his service, is to reach out to those who have not yet experienced the love of God in their lives, and to welcome them into nurturing Bible-based communities where they might be embraced and, most importantly, introduced to Jesus. This inclusive process requires the involvement of every member, and Moises is intentional about fostering faith-based relationships through which individuals may be emboldened to stand firm and take tangible steps in response to God's call on their own hearts and in their everyday lives.

After completing his M.Div. at Andrews University in 2013, Moises began serving the Central Alberta community as Assistant/Youth Pastor for the Red Deer Adventist Church. He and his wife, Katelyn, share a sincere desire to exalt and praise Him whose Name is to be praised, and are privileged to do so here.

Moises & Katelyn Ruiz.

Brent Wilson

Brent Wilson grew up near Seattle in the USA. He has an Associate Degree in Aviation Maintenance, a Bachelor's degree in Theology from Southern Adventist University and an M.Div from Andrews University. He is married to Cherie (Dale) and they have an energetic three year old daughter named Chloe. Before becoming a pastor, Brent enjoyed experiences in summer colporteur ministry and summer camp ministry. He started out in pastoral ministry in Colorado. He moved to Alberta from the United States in the summer of 2009 to serve as the Assistant/Youth Pastor at the Calgary Central Church. In 2011, Brent transitioned to be the Chaplain at Chinook Winds Adventist Academy in Calgary. He enjoys many outdoor activities, backpacking, snow skiing, playing the guitar, traveling, photography and technology. Brent has a passion to help people develop a growing and practical relationship with Jesus and live their lives in Christian service.
